

Financing Program Saves You Time & Money

Reville Farmers Elevator offers a flexible financing program in conjunction with the Cooperative Finance Association (CFA). This program offers convenient financing for all applicable coop purchases including seed, chemical, fertilizer and application services at a competitive interest rate.

Non-revolving lines of credit are available up to \$350,000 with a simple 2-page application. Non-revolving lines greater than \$350,000 are available with additional financial information.

Loan program benefits:

- Simple application with quick approval.
- Competitive variable interest rates.
- Loan maturity dates available to match your marketing plan.

Please contact Reville Farmers Elevator for additional details.
